**Free admission, no tickets required.**

Join us for the culmination of this year's *Hear and Now*, a major intergenerational community creative project based in the Queens Park area of Bedford. Participants from Fusion Youth Singing, the Tibbs Dementia Foundation's Music 4 Memory, musicians from North Bedfordshire Youth Chamber Orchestra, Da Capo String Ensemble and members of the Philharmonia Orchestra come together to offer advice from young and old on the hidden perils of the modern world...

**"It's made me very happy coming here, and  
I've felt much more... not alone."**

*Hear and Now* is generously supported by The Wixamtree Trust, The Austin and Hope Pilkington Trust, House of Industry Estate Charity, Gale Family Charity Trust, The Neighbourly Charitable Trust and NADFAS.

“Just Remember...  
Take the time to watch the sunset,  
You don't know what tomorrow holds  
Don't give up, just keep on smiling  
Your dreams could turn to gold,  
When you're feeling kind of low,  
And you want to moan and groan,  
Look for what we have in common,  
You are not alone”
