Hear & Now: Sticks and Stones

Co-produced with Orchestras Live, *Hear & Now* returns to Bedford with a performance of a new piece, *Sticks and Stones*. The project is led by Artistic Director, Tim Steiner, who brings together a wonderful partnership between the Philharmonia, Tibbs Dementia Foundation's Music 4 Memory, and Fusion Youth Singing.

This year, we also welcome Bedfordshire-based dance artist, Serena Williams, to the *Hear & Now* family, who is a member of Philharmonia's Artist in Residence House of Absolute.

For this performance, we will also be joined by members of North Bedfordshire Youth Chamber Orchestra and Da Capo String Ensemble.
